Greetings!

"Hosanna! Blessed is the one who comes in the name of the Lord!" (Psalm 118:26a NRSV)

The crowds shouted "Hosanna" as Jesus the Christ, the Messiah, rode into Jerusalem on a donkey just as a king would returning home in triumph. The people laid down their garments and branches from the trees to pave his way in honor and reverence. There was great joy for them as they shouted in the hopes that Jesus was the one who would save them from the oppressive hands of their enemies. They were happy seeking more happiness in a future of freedom and peace. A great burden would be lifted.

We go from the joy of Palm Sunday to a very somber and emotional evening that pours into a day of horror for the people who truly love Jesus. Some have faced the mirror of shame that has exposed the fears leading them to run and deny knowing Jesus instead of standing with him. Others, like Mary (his mother), were there at the cross. Mary, who heard his cries of birth, also heard his cries of death. Such a weight she must have carried on her heart.

But what a weight was lifted and what joy there was for a thief: a thief who came to the defense of Jesus on the cross even as he hung awaiting death himself. Acknowledging the weight of his sin as something he deserved and asking Jesus for nothing but to be remembered when Jesus entered HIS OWN kingdom was the best thing he could have ever done at that moment. In that statement, Jesus heard the thief express deep regret and accountability for his sins, and that he BELIEVED Jesus to be king! He believed in Jesus!! What joy was had when they died together on the cross only to find life in paradise!

But the weight still needed to be lifted for the followers of Christ who were still in hiding and felt they were dying on their own "crosses" as they mourned the loss of their Lord and their courage in the face of evil and sin.

And then Sunday came...and the weight WAS lifted! Like the great, heavy rock that block the tomb where Jesus was laid, their pain and burdens were removed, cast aside! Christ had risen as he said he would - - the temple that was torn down WAS raised again in three days. And Jesus WANTED to see the disciples! Getting that message from Mary Magdalene that he even wanted to see them after they ran and left him to fend for himself not only brought them the joy that he LIVED, but also the forgiveness that they sought for hurting him. A huge weight was gone; but now, they must joyfully accept the yoke of faithful service to God.

Through Jesus Christ, God lifts those heavy burdens of sin and death from us; but we need to remember that God's grace is still at work sanctifying us and all that we do in God's name. Once forgiven, we are changed, reborn and we need to remember that we are not perfect, but must work toward perfection in love with study, fellowship, service, and worship. We are Easter people who need to take on the yoke of discipleship with the faith that the Holy Spirit empowers and guides us. In that faith, the yoke is never heavy, yet we are reminded that it is there and that we have much to do for Christ's kingdom on earth.

Happy and Blessed Easter everyone!!

Peace always in Christ,

*Laurie*, your Pastor.

Rev. Laurie J. Pfahler

# Do you know... ...where the idea of the Easter Bunny came from?

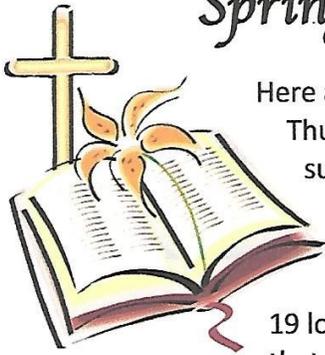

The idea of the Easter Bunny (or Rabbit/Hare) is said to have originated in Germany, and made its way over to the North American Colonies sometime in the 1700s. The hare was said to be very different in that it laid eggs. At Easter, children would make nests for it to lay the colored eggs, and often leave carrots in return.

From this, we can easily see how that changed into Easter baskets that are filled with "grass" to cushion the precious gifts; and over time, other goodies have been added to our baskets!

## Spring Sunday Scripture Schedule, Plus...

Here are the scriptures that are scheduled for each Sunday and Maundy Thursday in April and May. They are subject to change should there be a substitute preacher, or if the Holy Spirit moves me to change one or two... I generally pick two of the four to focus on each Sunday, and often use the Psalter reading as a call to worship.

Please remember that all Sunday services offered during the COVID-19 lock-down will be ONLINE at 9:30a, and available to watch anytime after that. Once the lock-down is lifted, we will meet again for services in church, but they will also be available online going forward. You can find the link to our YouTube channel on our website: [www.lumc-online.org](http://www.lumc-online.org)

Feel free to read the scriptures below in anticipation of the worship services!

# A Letter of Support to Churches from Eastern PA Conference Leadership

March 31, 2020

*"Therefore encourage one another and build up one another, just as you also are doing." (1 Thessalonians 5:11)*

Dear Sisters and Brothers and Christ,

The Eastern PA Conference leadership recognizes we are in unprecedented times. We give thanks for the ways that our churches have continued to worship in new forms over these past weeks. We know this has not been easy, and we recognize the amount of time and learning that has gone into transforming worship using conference calls, videoconferencing, livestreaming and other online platforms.

In addition, we give thanks for the sacrificial generosity of our churches over these weeks. Many churches have created online giving solutions for their members. For some of our churches, preschools have been suspended and offices closed, placing churches in the difficult position of furloughing staff. Please know that Bishop Peggy Johnson, the Extended Cabinet and Conference Staff are aware of many of the challenges that our churches are facing, although we confess that we may be unaware of particularly critical situations in some places.

### ***Let us stay connected***

Please help us keep open the lines of communication so we can go through this crisis together with you. The Bishop, Cabinet and Conference staff are here to work with churches during this time. And we give thanks for our United Methodist connectional system that enables us to quickly resource one another. We recommend the following:

- Please continue to check our Eastern PA Conference's website (especially our Coronavirus Ministry Response page), our NEWSpirit Digest newsletter and social media for information and resources on live-streaming, Zoom videoconferencing and online giving.
- Should financial challenges arise in your contexts as a result of the pandemic, please contact your District Superintendent directly to set a plan with your leadership regarding ways to proceed. Respectfully and with compassion, leadership within the Eastern PA Conference will be working on a case by case basis with churches.
- Over the past twelve years, Eastern PA has worked tirelessly on the Pre-1982 clergy pension liability. Due to churches' and individuals' faithfulness, we were on track to becoming 100% funded prior to the pandemic. The bulk of our Conference financial reserves have been directed to this goal. While we will work closely with churches that are facing difficult financial realities due to the pandemic, our resources are limited. Therefore, we implore all churches to strive to fully fund all their conference obligations.
- The Conference and Cabinet continue to seek other measures that might be implemented to assist churches. We are analyzing the provisions of the newly passed federal CARES Act. We are waiting for guidelines on how to apply for the Small Business Administration (SBA) forgivable loans program under the act. Our churches are eligible

to participate in this program to provide support for payroll, utility and debt payment relief. Until the guidelines are published, we suggest the following:

- Contact your bank to determine if they are a partner with SBA, and advise them of your intent to apply.
- Finalize your 2019 Financial Reports and 1st quarter 2020 financials.
- Arrange a virtual meeting of your church's Charge Conference to authorize receiving a loan. (This has been approved by Bishop Peggy Johnson.)
- Churches can have a preliminary vote with their leadership team to get approval to begin the process for the CARES ACT funding, and then follow-up with an official Charge Conference (in order to follow the 10-day guideline for charge conferences). We want our churches to be first in line for funding so please do not delay on your application.

***Keep your District Superintendent informed***

- Keep your District Superintendent informed of any especially challenging circumstances your church may be experiencing.
- Review the InJoy Stewardship ([www.injoystewardship.com/cares-act](http://www.injoystewardship.com/cares-act)) information as a resource related to this opportunity. InJoy Stewardship Resources has done an excellent job summarizing the way the federal CARES act can help churches during this very difficult time. Be sure to watch the video webinar.
- Important points to catch from this webinar:
  - Churches do qualify for the Payroll Protection Loan program.
  - You can receive 2.5 times your monthly payroll expenses (including pensions and health care).
  - Your loan may be forgiven completely if you use it as the program prescribes (salaries, etc.) for the 8 weeks following the disbursement and if you do not reduce staff or salaries during that time.
  - You should receive your funds promptly.

We do not know how long we will be in this current situation. We know there are many households that are continuing to honor their financial commitments, for which we give thanks to God. We do know that in our local churches, by the grace of God (Romans 12:8), some households are able to meet their entire financial commitment, or give more for the year 2020 immediately...or, at least, to “pay ahead” on their full-year gifts right now.

Similarly, we anticipate that some of our stronger congregations, with abundant resources in reserve, could choose to double-up on their giving today in order to help cover for those churches that will need a delay.

More importantly, we do know that God walks with us through our valleys and God provides manna for each day. We give thanks for the resiliency we see in our churches, and we pray for God's continued blessings upon you, your families and your ministries. Please know that key Conference leaders are meeting weekly and will continue to provide updates as we have new information.

Bishop Peggy A. Johnson  
The Eastern PA Conference Extended Cabinet  
The Eastern PA Conference Board of Benefits  
The Eastern PA Conference Council on Finance and Administration

Beloved Church Family, Greetings and God's peace be with you from the Finance Committee. As many of us are hunkered down riding out this virus crisis, we want you to know that the work of the church continues and that your financial support is appreciated and needed. Many of us received and were blessed by the service and sermon Pastor Laurie gave on Sunday, March 22nd. This was live streamed with the technical assistance of Mike Kephart and his two sons. There will be additional morning broadcasts until we can meet again in our sanctuary. Unfortunately we cannot hold fund raising events during this time, our budget is in deficit and income is at least \$15,000.00 or more for needed expenses.

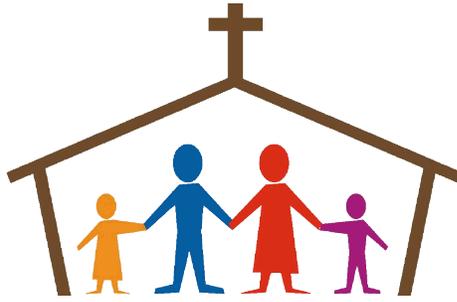

There is a verse in Matthew 6:21 which states: "For where your treasure is, there your heart will be also". We pray you will remember to mail in your offerings or to sign up for automatic deduction of your weekly offering from your bank account. The easiest way to do this is to go to our website LUMC-ONLINE.ORG and signup for online giving. The link is in the center that says GIVE NOW. You can choose how you would like your offering distributed as

General, Capital Improvement, Faith Promise, Reserve Giving or Other.

You can choose the frequency and if you would like it to come from a checking, savings or credit card. Then just enter your donation information. In closing this message to you remember 3 John 2: "I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well". God bless all of you.

Raul Torres

Chairman of Finance Committee

Hello Everyone!

I'm sure you are bored, and tired being indoors, but keep in mind that you are potentially saving your life, and the lives of others. I pray to God to give me the strength to endure being inside this much as I am a severe claustrophobic, this house it getting smaller every day! I am so grateful for Sneaky Pete, Cinnamon, Carly and Daisy as they provide a lot of entertainment (as well as dog hair which gives me something to do daily)

Even though we are officially closed, some things have been done. The new gutters are on the parsonage, and the trees along the side of the church have been trimmed. The new refrigerator has been ordered, and will be delivered and installed after the crisis passes.

How are you spending your time? I make a list of things that should be done every evening. Note that some of these jobs haven't been tackled for a long time! I have scrubbed all the tile in the living room, dining room and kitchen, I have taken my pantry apart, made a box to be donated as I no longer use those items, cleaned all the shelves and put the rest back in an organized manner. Don't laugh, I know that's not going to last, but at least it looks good for now.

I am not good at cleaning, never liked it, never will. And – no one is coming over for dinner, or a visit so no one will see how nice it looks. With four dogs and Bill, it will be a mess again very soon – but the good side is that I will have something to do for another day.

You all know that I love to cook and bake – but Bill and I can't eat an entire cake – and there's no one here to give it to.

So, life is different for all of us. But we should be thankful for the things that are the same, we are healthy, God is with us, we have the added convenience of the computer and internet for communication, and we have each other. Let's be thankful for the blessings we have, and have had and move forward. Find something to do to occupy your time, and plan for the future. You can't yet pick a date for a picnic or party, or family dinner, but you can think about it, plan your menu, make a list – and you'll be ready to send out your invitations when the time comes.

God bless you and your families!

Lyn Wallace (Trustee)

## UNITED METHODIST WOMEN

At the March meeting of the United Methodist Women, Pastor Laurie presented an overview of UMCOR, our United Methodist Committee on Relief which is always there to serve. We assembled hygiene kits which were sent to UMCOR to distribute where needed.

Unfortunately, we will be unable to meet in April due to the national isolation order, I will definitely miss seeing all of you. We will move forward assuming the two big projects we have been working on will still happen in May.

The **Flea Market** will take place May 9, 8:30 a.m. to 1 p.m. Space is available, so on these days when you have a little extra time at home, please continue to sort through your belongings and pack your boxes. It's easier than you think to fill a table, your reward is extra storage space and extra money in your pocket.

## CHURCH TABLE

If you have some lovely items you are no longer using and wish to put them in the hands of someone who will appreciate them but don't feel you can handle a table yourself, you can donate those items to the church table for sale. All money generated here will go directly to the church.

By May 12, we will all be ready to gather and share a meal. The **Salad Supper** begins at 6:30 pm. Women from surrounding churches gather here for that very popular event. Everyone is invited, please bring a salad to share.

## MESSAGE FROM STEWARDSHIP

### Know Your Purpose

*"You will become pregnant and give birth to a son, and his hair must never be cut. For he will be dedicated to God as a Nazirite from birth. He will begin to rescue Israel from the Philistines."*

JUDGES 13:5 NLT

- B**aby Samson came with an instruction manual *and* a prophecy:
1. Don't cut his hair.
  2. Dedicate him to God as a Nazirite.
  3. Someday he will begin to rescue Israel from the Philistines.

This infant grew to be an amazingly strong man with superhero-like qualities who, despite his own shortcomings and sin (read Judges 13–16 for his full story), ultimately fulfilled his prebirth prophecy.

Do you ever wish that an angel had proclaimed your purpose before your birth? If you've ever struggled with meaning—what you're meant to do on earth—you're not alone.

Although you may sometimes feel small and insignificant and unable to do anything really worthwhile in this messed-up world, know this: When God designed your life, He didn't roll the dice and arbitrarily place you. No, He crafted your unique position—the years you live, the family you belong to, the career you pursue, the friends you choose, your passions and abilities—to give you the opportunity to make an everlasting impact on the world. Big, earth-changing revivals or small, personal kindnesses alike—you can make a difference.

*God please show me how to make an everlasting impact today. Use me, Father. Amen*

Hello LUMC congregation

I would like to thank everyone for their support of my Eagle Scout Project. A few months ago, I installed handrails in the main hallway of the church, leading into the bathrooms, offices, and most importantly, the sanctuary. I am submitting my final paperwork now and I would like to thank everyone for their kindness. This project would not have happened without your generous donations and support and I am extremely lucky to complete a project that will help many people for years to come.

Thank you.

Christopher Stockburger, Member of LUMC and  
Boy Scout Troop 99

*Our Sincere Condolences to the families of:  
George G. Jenca (passed away 12/31/19), and  
Carol J. Habel (passed away 3/15/2020)*

*Memorial Services for George and Carol have been put on hold till after the Quarantine for the Coronavirus is lifted. An announcement will be made as soon as a date is set.*

*I hope everyone is doing well and keeping Safe and Healthy!*

*For the next Friendly Voice, I am hoping that everyone can share something Entertaining and Fun, not necessarily about the church; maybe how you are spending your time quarantined at home, or about anything you would like to share about your family- - a joke, a puzzle or anything on your mind. Just mail it to the church, or send it to [church@langhornechurch.org](mailto:church@langhornechurch.org).*

*Hope to hear from you!*

**Below is a really nice message and prayer from shop owners we visited in Bethlehem. Marybeth States**

On behalf of the entire Nissan family, we would like to wish you all blessings from Bethlehem, the Holy Land; the birthplace of our Lord and Savior, Jesus Christ!

With the Coronavirus dominating the entire world, making a lot of families scared and helpless, businesses stop, economies failing and children scared, it can be easy to feel overwhelmed and easy to feel afraid. So, in these hard times, we look to refocus on God and pray that He protect us from the spread of COVID-19, heal those who are sick and come into our hearts and make us strong.

“Have mercy on me, my God, have mercy on me, for in you I take refuge. I will take refuge in the shadow of your wings until the disaster has passed.” -(Psalm 57:1)

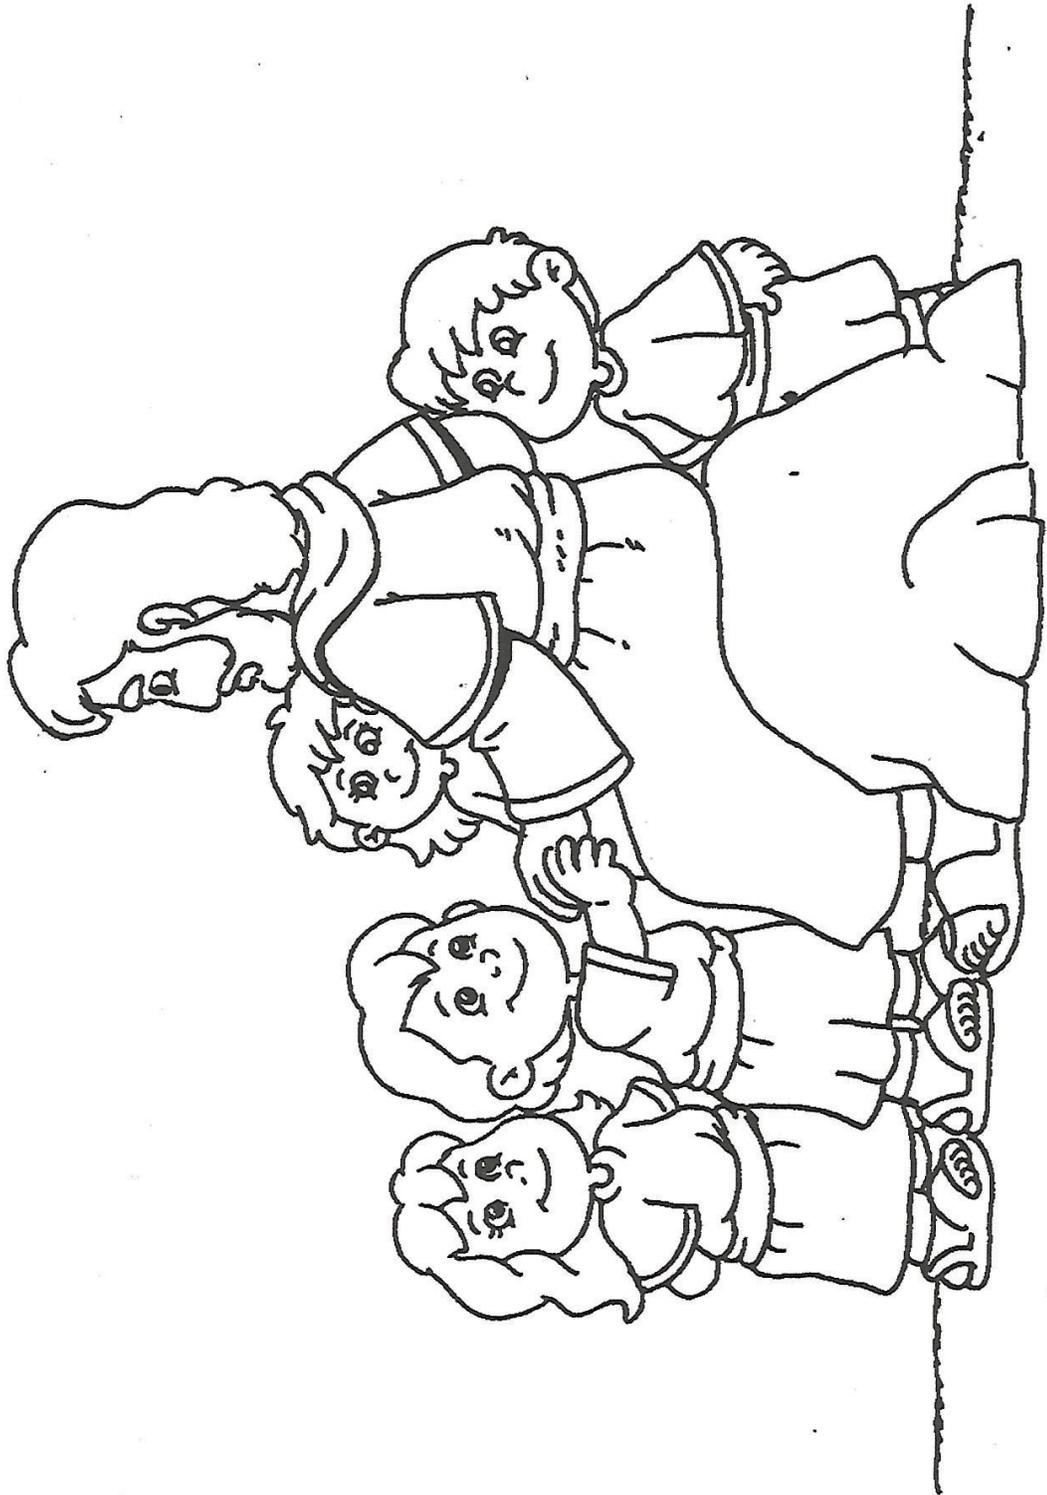

We pray that His mercy may come down on all of us and that He give researchers and doctors the wisdom and strength to find the cure in order to get through this very rough time soon, safe and healthy!

God Bless You and Your Families!

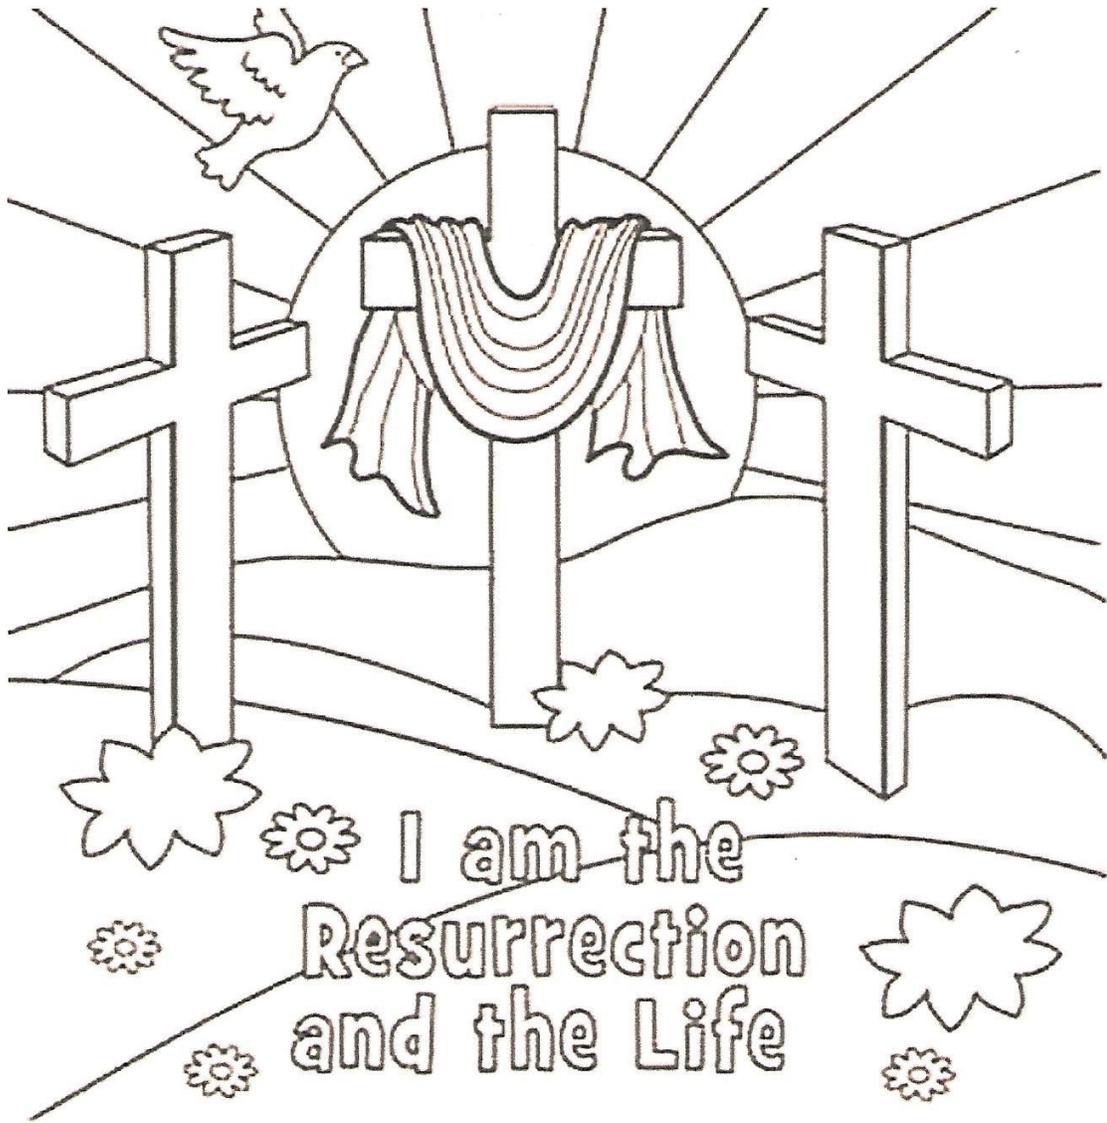

With Blessings & Love,

The Nissan Brothers
