A MINISTRY OF CAMPUS CRUSADE FOR CHRIST

EVEN AS HAITI FADES FROM THE HEADLINES, LET'S BE ENCOURAGED BY WHAT'S GOING ON AND HOW "JESUS" FILM TEAMS ARE ON THE GROUND, PROVIDING FOR BOTH SPIRITUAL AND PHYSICAL NEEDS OF THE TRAUMATIZED.

HORROR IN HAITI – The devastation of the 7.0 earthquake that hit Haiti is horrific.

- 230,000 lives lost; 300,000 more injured.
- Many CCC staff are grieving.
- 1 million homeless.
- 16 of 35 CCC student leaders' lives lost.
- Hundreds of thousands of buildings have collapsed.
- Widespread flooding caused by heavy rains following the quake.

As you have seen on TV, much manpower and millions of dollars are being sent to Haiti for the outward material needs of the homeless. In proportion, very little is being invested in the spiritual needs; however some wonderful opportunities exist for this broken part of the world.

HOPE FOR HAITI – Here's some encouraging news: Campus Crusade and The JESUS Film ministry have been quick to respond to not only physical but also to spiritual needs that we are uniquely capable of meeting.

Our film teams are showing *JESUS* nightly among the 35,000 people residing in the soccer-stadium-turned-tent-city. And due to this tragedy, people are much more open to the gospel as evidenced by two-and-a-half times the responsiveness. We're seeing an average of 20-25 percent coming to faith in Christ at every showing!

Pastors are in shock, needing our help, and asking for it. People are saying, "I can't do anything; society can't do anything; maybe God can do something."

Strategic ministry needs have been isolated during this window of opportunity before Haitians begin returning to their day-to-day routines. Here are some of the things The JESUS Film and Campus Crusade are providing:

- 12 more *JESUS* film teams for a minimum of one year.
- Portable, solar-powered DVD players for small group evangelistic showings.
- SUVs for transportation among the camps for ministry and aid distribution.
- Backpack "Acclaimer" units, which hold everything needed for a *JESUS* film showing for up to 1,000 people, including a solar-powered video projector.
- Five large tents for aid distribution sites, church services, *JESUS* film showings, follow-up sessions, etc. People are still too traumatized to enter buildings.
- Equipment and *JESUS* films for other mission agencies ministering in Haiti.

THANK YOU FOR PARTNERING WITH US TO HELP everyone, everywhere have the opportunity to see and hear the gospel in their heart language.

In Christ,

Dave and Sandel
