PARENTING

The Early Years

A lot of times parents need help, but nobody likes to ask for help. That's why Pastor John and Bill Bryan will be leading a study utilizing Drs. Les and Leslie Parrott video-driven study called **Parenting: The Early Years**. This teaching takes a Biblical approach into the traits parents want their children to have and what traits they want their children to see modeled in them. Real-life parenting moments are captured on video taken inside the homes of 20 real families who are trying to raise their kids in the best way possible.
